

CENTRAL
TOWN HOUSES **PARK**[®]
FEROZEPUR ROAD, LAHORE

A Lifestyle That
Exudes Luxury

A high-angle photograph of a well-maintained park. In the foreground, there are several large palm trees and dense green foliage. A paved path winds through a grassy area. In the middle ground, there are two red park benches with white frames. To the right, a yellow bear-shaped sculpture sits on the grass. In the background, there are more trees, a blue trash bin, and a building with a red roof.

Central Park Townhouses

A World-class Community to Explore & Invest in

The picturesque settings of Central Park Townhouses inculcate a sense of luxury and serenity. It's a perfect place to look for your dream home in the city, which promises a world-class residential experience in a secure gated environment. The project features G+2 townhouses in the most intelligently planned cookie-cutter arrangements.

Elegantly styled interiors complement the graceful exteriors of these housing units. All these properties are built on uniformly aligned 5 marla plots to uplift the aesthetic appeal of the residential project. The townhouses in the project comprise multiple residential units, one on every floor, each of which will be sold separately.
